

TG007 Project Management

Course introduction

Session schedule

- Introduction to the course
 - Teachers
 - Learning objectives
 - Evaluation system
 - Sessions and deliveries schedule
- Introduction to Project 1
- Guideline for the next session

Teachers

■ **Course Coordination:** Carina Rapetti (carina.rapetti@salle.url.edu)

■ **Teachers:**

■ Carina Rapetti (carina.rapetti@salle.url.edu)

■ Devi Chithran (devi.chithran@salle.url.edu)

■ Pau Cortada (pau.cortada@salle.url.edu)

Learning outcomes

- Project Management:
 - Grasp Fundamental **Project Management** Concepts and Their **Business Implications**.
 - Conduct Comprehensive Analysis of a Company for **Strategic Project Portfolio Development**.
 - Cultivate **Leadership and Team Management** Expertise.
 - Apply **Strategic Alignment** and Decision-Making in **Project Selection**.
 - Implement and Manage Projects Portfolios Using Advanced Tools and Techniques.
- Other outcomes:
 - Critical Thinking.
 - Development of written and oral communication skills.
 - Problem-solving skills.
 - Teamwork.

Methodology

- The learning experience is based on learning-by-doing methodology.
 - Applying basic concepts to project situations → Group Assignment
 - Sessions will be dynamic. Students will work in teams on the project.
 - Each session will be focused on the concepts indicated on the project guide. These concepts are explained in the class material.
 - In each session: project progress and how students understand these concepts will be evaluated.
- Experiential activities:
 - Kick-off with a client
 - Simulation Game
 - Visit to a real company
 - Masterclasses with technology company directors

Groups

- All the in-class activities of this course will be carried out in groups
- Students will choose their own groups
- Each group will consist of 5 students
- Same groups throughout the course
- All group members are required to know all the work

Attendance

- **Attend class**

Attendance to class is MANDATORY. Students who do not attend class will fail the course.

- **Be punctual**

Come to class ON TIME. Tardiness will not be tolerated.

Evaluation

■ The course will be graded as follows:

- 10% Attendance
- 15% Follow-Up (Class participation, attitude and effort)
- 15% Simulation exercises
- 30% Group assignment
- 30% Exams (2 Tests)

■ It is necessary that you meet a **minimum of 5.0 in all items to calculate the final grade.**

■ Retake policy:

- 100% Exam (Retake grade will not be higher than 5)

Assignments/Exam dates

- The special activities will take place as follows:

Assignments / Exam	Date
Test 1	28/03/2025 @ 09:00
KPMG Visit	03/04/2025 @ 17:00
Simulation Game	15/05/2025 @ 17:00
P2P	23/05/2025 @ 10:00
FINAL PRESENTATION (Kick Off)	22/05/2024 @ 17:00
Final exam	May 2025 (Tentative)

- Meet deadlines

For every piece of work not submitted when scheduled you will receive 0 points.

If you do not do your P2P, you will get a **zero on the P2P and on your project**

Course introduction

Evaluation Point Scale

Suspended (0)	Fail (1 – 4.9)	Acceptable (5.0 – 5.9)	Good (6.0 – 7.9)	Very Good (8.0 – 8.9)	Excellent (9.0 – 10)	Not Presented (NP)
Not hand in coursework. Not take an Examination. Misconduct.	Unacceptable level. Below the required minimum standard. Understanding is only superficial. Plagiarism.	Shows only a limited ability to use and apply ideas and demonstrate analytical skills. Limited understanding	Good level of work. Covers all aspects of the subject without any significant errors or omissions.	Demonstrates a high and independent level of analytical thought and successfully applies theory to practice. Extra readings	Extensive reading and research. Independent thought. Originality. Very high levels of analytical thought, evaluation and synthesis.	Awarded at the professor's discretion. Not completed a sufficient proportion of the subject's requirements. Need to be evaluated with a final grade.

Course introduction

Peer to Peer

- **P2P**
 - P2P is a **multiplying factor** of your projects
 - Students that are **perceived by peers** as not contributing can have their grades drastically affected
 - **Do not wait for the P2P** to tell the teacher that you are having problems with you group
 - The P2P evaluation must be **justified**
